

# Confined Spaces

Chapter 296-809 WAC

## Index

### A

Alternate entry procedures, **600-1-4**  
Atmospheric hazards, testing, **500-8**, **600-3**  
    helpful tool, **R-52**  
Attendants duties, **500-14-16**

### B

Barriers, **500-7** (see also equipment)  
Blower (see ventilation)

### C

Certification, training, **400-3**  
Classifying confined spaces, **700-2**  
Communication, **500-17**  
Conditions, unsafe, **600-3-4**  
Confined space, definition, **100-2**, **800-1**  
Contractor responsibilities, **200-5**  
Controlling entry, **200-4**  
Cost to employees, equipment, **500-6**

### D

Danger signs, **200-4**  
Definitions, **800-1-7**  
Documentation (see also recordkeeping)  
    alternate entry procedures, **600-2**  
    and certification, non-permit confined spaces, **700-2**  
    availability, **600-2**  
    permit-required confined spaces, **200-2**

### E

Effective measures, permit-required confined spaces, **200-4**  
Emergency services, permit entry, **500-9-11**  
Employee  
    entering another employer's space, **300-4**  
    exits, non-permit confined spaces, **700-3**  
    training, **400-2**  
Entrance covers, removing, **600-3**  
Entrants  
    duties, and hazardous conditions, **500-17**  
    observing testing, **500-8**, **600-3**  
Entry  
    alternate, **600-1-3**  
    ending, **500-18**  
    preventing unauthorized, **500-6**  
    programs, samples, helpful tool, **R-3**  
Entry operations  
    contractor coordination, **200-5**  
    coordination with other employers, **300-4**  
    problems, **500-2**  
    rescue and emergency services, **500-4**, **500-9**  
Entry permit, **500-2**  
    samples, helpful tool, **R-35**  
Equipment  
    lighting, **500-7**  
    maintenance, **500-6**  
    monitoring, **500-7**  
    non-entry rescue, **500-12**  
    permit, safe entry, **500-3**  
    program, **300-2**  
    provision of, **500-6**  
    rescue, **500-9-11**  
    supervisor responsibility, **500-13**  
Evaluations, permit-required confined spaces, **200-2**

# Confined Spaces

Chapter 296-809 WAC

## Index

### F

Forced air ventilation, continuous, **600-2-4**

### H

Hazards, evaluating and controlling, **500-8**

Health or safety hazards, non-permit confined spaces, **700-2**

Helpful tools

- atmospheric testing of permit-required confined spaces, **R-52**

- evaluating rescue teams or services, **R-44**

- example confined space entry programs, **R-3**

- rules in other chapters, list, **R-2**

- sample confined space entry permits, **R-35**

- sewer system entry, **R-42**

Host employer, program debriefing, **300-4**

### I

IDLH, **500-10**

Identifying permit-required confined spaces, **200-2**

Informing employees, **200-4**

### L

Lighting, equipment, **500-7**

### M

Monitoring and inspection data, **600-2**

Monitoring equipment (see also testing), **500-8**

### N

911 services (see rescue and emergency services)

Non-entry rescue systems, **500-12**

Non-entry retrieval systems, **500-12**

Non-permit confined space, **700-1-3**

### O

Operations, entry, **500-3, 500-9, 500-13**

### P

Permit, availability, **500-2**

Permit, entry (See entry permit)

Permit-required confined space

- entering another employer's space, **300-4**

- identifying and controlling, **200-2**

- problems, during entry, **500-2**

- program and practices, **300-2**

- PPE (personal protective equipment) **500-9**

- reevaluating, **500-8**

Permit-required confined space, definition, **100-2, 800-1**

Permit-required confined spaces, identifying and controlling, **200-2**

Posting signs, **200-4**

PPE, rescue, **500-9-10**

Practice sessions, rescues, **500-9-11**

Procedures

- alternate entry, **600-1-4**

- ending entry, **500-18**

- rescue, **500-9-10**

Program, permit-required confined spaces, **300-2-3**

# Confined Spaces

Chapter 296-809 WAC

## Index

### R

#### Recordkeeping

- entry permits, **500-4**
- non-permit required confined space, **700-2**

#### Reevaluating

- and reclassifying, **700-3**
- for safe entry, **500-8**

#### Rescue and emergency services

- attendants duties, **500-14**
- entry operations, **500-3**, **500-9-11**
- evaluations, helpful tool, **R-44**
- PPE, **500-9**
- selecting teams, **500-9-11**
- systems, non-entry, **500-12**

#### Retrieval line and attachments, non-entry, **500-12**

#### Rules in other chapters list, helpful tool, **R-2**

### S

#### Scope, **100-1-2**

#### Sewer system entry, helpful tool, **R-42**

#### Signs, posting, **200-4**

#### Supervisor responsibilities, **500-12**, **500-13**

### T

#### Teams, rescue services, **500-9-11**

#### Testing, atmospheric hazards, **500-8**, **600-4**

- monitoring equipment, **500-8**

#### Terminating entry, **500-13**

#### Timeliness, rescue and emergency services, **500-9-11**

#### Training

- employee, **400-2**
- rescue and emergency services, **500-9-11**

### U

#### Unauthorized entry, preventing, **500-6**

### V

#### Ventilating, **500-4**

#### Verifications and checks, supervisors, **500-13**

### W

#### Written program, permit-required confined spaces, **300-2**
